

Hi,

As a highly skilled software development lead, I would like to enquire about positions available within your organization and provide you with my details for your records.

With more than 13+ years of experience in all phases of SDLC, focusing on conceptualizing business needs and translating them into viable technical solutions. My strengths include successful analysis and problem-solving expertise, highly rated oral and written communications skills, and proven project management experience. Strong background in Microsoft Technology development environment has provided the opportunity to work on a diversity of software solutions using agile methodologies. Sound in managing and implementing DEVOPS operations using azure platform.

Please review my attached resume for additional details regarding my expertise and career achievements. I will follow up to request an appointment to discuss my experience and leadership background that meets your needs.

Thank you for your time and consideration. I am looking forward to hearing from you.

Sincerely,
Zeeshan Ali
Contour Software
Development Lead
